

Jim Timmons
2018 Honor Roll Inductee

Jim was a member of the Clark County Fair board for over 15 years. During his time on the fair board Jim made many contributions to the Clark County Fair.

Many of the 'older' dairy showmen will remember that the Clark County Fair didn't always have a huge dairy feeder show. When many kids started showing at the fair there was a small dairy show and a small veal calf show. Jim and Phil Steele brought the current dairy feeder program to the Clark County Fair and the dairy program went from a small veal show to the 200+ dairy feeder show that it is now.

Jim also spent countless hours on outside space, helped implement the idea of barn supervisors, and stepped in to help with concessions the year the concession manager passed away. Jim brought in the Clifton Presbyterian Church members who clean the main food tent that is out on the midway.

Jim was drafted and spent 2 years in the United States Army serving a tour in Vietnam working on helicopters. This pride in his country led him to insist that the Star-Spangled Banner be played at the Opening Day ceremonies at the fair and at every dairy show!

Jim continues to come each year to visit the fair and watch his grandchildren show cattle! He stays busy running his Grain/Livestock Operation and serving on the Clark Co. Farm Bureau, Tecumseh Land Trust, and Emery Chapel Trustee Committee.

The Shelly Company was founded in 1938.

The Shelly Company is Ohio's leading limestone, concrete, and asphalt paving company with more than 90 locations and 1800 employees serving 81 counties in Ohio.
