

2022 Fair Dedication

Bob Evans Farms has been instrumental in helping us navigate Covid by becoming a monthly sponsor quite some time ago and providing financial support critical to navigating the waters and helping us remain healthy and strong.

Bob Evans Farms has long been a proud supporter of the Springfield community and it gives us great pleasure to recognize them as a sponsor and to call them a corporate friend. We are overjoyed to dedicate this year's opening ceremonies to Bob Evans Farms.

Please remember to support Bob Evans Farms and enjoy their wonderful food items in the grocery store where you can find their delicious items to prepare at home. You will see their semi-trucks parked on the grounds from time to time as they are an active participant. If you have a friend or family member employed with Bob Evans Farms Transportation in Springfield, please remember to thank them for the gracious support that they provide to the Clark County Fairgrounds.

Thank you, Bob Evans Farms!
